General Policies and Requirements for Submission of Abstracts

- All abstracts must be received by the Conference Managers no later than 5pm **Friday 18th April 2025**
- All submitting authors will be notified of the results of the review of abstracts by **Friday 16th May 2025**
- It is a condition of acceptance that all presenters (oral, symposia and poster) must be registered delegates and have paid the conference registration fee, at least for the day of their presentation. The Conference is not able to provide funding for presenters.
- If your abstract is accepted, you must register for the conference before **Friday 19th September 2025**. Papers, including posters, will not be scheduled for presentation until registration has been received.
- Presenters must be available to present on *either* of the conference days, as assigned by the Scientific Committee.
- Your abstract, if accepted, will appear in its full form in the Conference App.
- All abstracts must contain original work.
- The main presenting author must submit the abstract.
- All abstracts must be prepared according to the guidelines provided. Incomplete or incorrect submissions will not be accepted.
- It is the responsibility of the presenting author to ensure that the abstract is submitted correctly and received by the Conference Managers by the deadline. The Conference Managers will not be held responsible for abstract submissions not received.
- Abstracts must be prepared using the template available for download on the conference website. Abstracts must be 300 words or less (not including abstract title, authors and affiliations, or references) and must not contain images, figures or tables.
- Abstracts will be considered for ALL presentation types, and may be accepted as a different format than the presentation type selected during the submission process.
